... and even though change maybe immenent;
let it be not an ending of something,
but instead, a beginning of a new experience.

USG Committee Established

by Angela Smith

The United Student Government meets once each week to discuss many of the problems, needs, and wants of the student body.

On Monday, October 17, 1977 the meeting was called to order at 4:05 p.m. in the Business Building room 110. With President James Stark presiding.

Several appointments were made. Debbie Gobie was appointed to the FSA (Future Secretaries Association) Board of Directors. And Sue Sanly was appointed to be the Health Sciences Representative.

A committee was established to finish the Remaking of the USG Constitution. Members of this committee are Carla McClain, Dan Berry, Yvonne Newell, and Gerri Paviglianti.

In regard to the recent issue of religion of campus the USG would like any individual student who has ideas or feelings on this subject to see Gary Smith, Vice-President of Student Affairs.

Election Article Rebutted

Dear Editor,

After reading your "Birdman" series March 15, 1978, I have to disagree with the article. First of all, I "naturally" was not elected President of U.S.G. I was oppossed by Rob Mack, a nursing student, until the Friday before the elections.

Secondly, as you know, there have been very many cases of flu going around this campus which made it very difficult for the candidates to "push" their platform. I, for one, was confined to bed very sick the week of the elections. Not to mention that I was in Albany on a Community College Students' Association Meeting on Monday and Tuesday of that week. Since I was sick in bed, leaving posters was my best alternative to pushing my platform.

Next time your paper decides to make such statements about U.S.G., please consult us first.

Debra Gobie
President of U.S.G.

by Angela Smith

The United Student Government is the student's voice. It is there to aid the students in communication with the administration.

Student's elected to the USG are working constantly to better activities offered to the student body, to establish rappor with college administrators, and to see that all clubs and events run smooth ly.

In talking with many of the student representatives it was found that most wanted to stimulate student involvement in USG.

As USG President Jim Stark revealed "I want to get an open line of communication between the students and the President of the College. We need to see more students getting involved in on-campus activities. As president of USG, I have set up several goals which I hope to accomplish this year. One, I want to get a better budget done before the spring semester ends and not leave it to summer committees or until next year. Two, I want to have an acceptable constitution presented to the trustees by the end of 1977. We are already preparing to issue part-time students I.D. cards. This will enable them to participate in college activities with a minimal fee involved. We also hope to work with the Evening Student Association and their programming. I think it is important that we save the Kinder Kare Center at BCC in order to allow parents with children to better themselves with an education. I am interested in the community's view of

The voters had few decisions to make this election. There were no candidates roaming the campus trying to push their platform. In fact, other than for Debra Gobie, there were no posters on the walk; debates for the students to hear and see the people who were running for office was also nonexistent. The only time the voters knew the identity of the candidates was when they picked up the ballot and saw the list of faceless names before them. With six out of ten candidates running unopposed, the election results were not surprising. The new President of the U.S.G. is naturally Debra Gobie. Vice President of Internal Affairs was Angela Smith, Vice President of External Affairs was Susan Sanly, Vice President of Financial Affairs was Lori Hayes, Liberal Arts Representative was Linda Kulasza, and Business Representative was Tim Brennan.

Hopefully, the newly 'elected student government will be productive and that next year's elections will not be a duplication of this year's 'democratic' one.

The other three write-in offices, Health Science Representative, Media Board Representative, and the Technologies Representative, did not receive a sufficient margin of votes to determine a winner.

The other four offices had no candidate running for them; subsequently if a person wanted one of the offices, all the student had to do was write-in his name. Of these offices, only one obtained a representative. This office was the Program Board of which Francine Stracuzzi now holds.

Quoted directly from the U.S.G. constitution, "The Election Committee shall publicize all election information at least one month before a regular election date. An election rules and regulations document shall be prepared one month before the petition deadline date and shall be made available to all students who wish to run for office. "This rule was not exactly performed to the letter. The Fulcrum also must share the blame for the unheard of publicity of the elections.

Of the 2310 full-time students that attend class on campus, less than one hundred of them voted. Such a poor turn-out can not be totally blamed on student apathy. A large portion of the blame should be directed towards the U.S.G.

The Mad Geek - rather the Mad Greek is suffering withdrawals after loosing his cape. The shock is also compounded by the appalling news of the February twenty eighth and March first United Student Government elections.

Smith and Stark contemplating the year to come.

B.C.C. Golf

With veteran Jerry Stephens and freshman Steve Haluska leading the way, the Broome Golf Team under Coach Wayne Lockwood finished with an impressive 12-1 record.

B.C.C. lost to Monroe Community College in the Region III playoffs by four strokes, but Stephens and Haluska qualified individually for the Nationals held at Henry Horton State Park near Nashville, Tennessee.

B.C.C. Hockey

In its third season in the Finger Lakes Collegiate Hockey League, Broome posted a 6-14-1 record with a freshmen oriented team. As the season progressed, so did the team - as the Hornets won third place in the North Country Tournament and a second place finish in the FLCHL.

Tennis Team

11-3 Wins 5th Region III Crown

Our Broome Tennis Team enjoyed one of their finest seasons in recent years, capturing their 5th Region III crown.

Coach Oz Winters' devastating attack was led by seniors Dave Troisi and Dick Farrell, and several promising freshmen. Troisi ended his BCC career with a 30-1 singles mark.

Jay Mininger, Jack Moses, Ed O'Malley and Dan Morabito, all first year players, contributed to the successful Hornette campaign, which was highlighted by several Broome shutouts.

At the Regionals, BCC dethroned Hudson Valley, winning 35 of 36 possible matches.

Regional Loss To Morrisville Ends Sensational Soccer Season

Broome Dumped 9-2

by Glenn Rolfe Sports
Sports Editor

Soccer Coach Bill Davenport is not one to make excuses about a loss . . . "It's all over. We just plain got beat," explained Davenport, reflecting back on his Hornets 9-2 Region III Playoff thrashing at the hands of one of the most powerful soccer teams in the country-Morrisville." They (Morrisville) proved they were the better team that day."

Morrisville, which was ranked 5th in the nation before the contest, had compiled an impressive 10-0-1 record while allowing only four goals in regular season play all year. They had earlier defeated Broome 6-0 and had suffered their only blemish on their slate in tying Fulton-Montgomery 0-0.

It could have been that Morrisville was out for revenge. Broome might possibly believe that. "I felt we had a chance," added Davenport, who completed his fifth year at the soccer helm. "I honestly feel we played our best game of the year. The guys gave a fine show."

Broome found itself down quickly 4-0 before star forward Kevin Hughes scored for the Hornets. Morrisville quickly added another tally and the first half ended 5-1.

Hughes second goal of the game, on a penalty kick ended the Broome scoring for 1977 as Morrisville applied continuous pressure and finesse in the Hornet cage and added 4 second stanza goals.

Broome reached the Region III Playoffs with two "must" victories over Alfred 6-2 and Erie Community College 4-1.

The two final regular season wins wrote several chapters in the world of Broome Soccer. This years' squad set records for winningest season 10-4, consecutive winning streak (9 games) and wins with 10.

The 10-4 overall record and 7-4 slate in Region III should have enabled Broome to be seeded third, and thus, have a less powerful foe in Monroe Community College. But Mohawk Valley, which finished with a 6-3-1 Region III record, was seeded third by virtue of an earlier 5-1 victory over Broome.

The Hornet offense, which scored a total of, 61 goals, was led by Kevin Hughes with 21 goals. Line mate Don McEvoy added 13 netters and also chipped in with 15 assists.

PENALTY KICKS. Hughes 21 goal season and last year's 11 goal season put him only 5 shy of the two-year record which is currently held by Fevyaz Baskent.

Cross Country Nationals In Arizona An "Arid" Experience

Vestal's Mario Marini's 99th place finish was the best the Broome Cross Country Team could finish as three of the runner-up Region III squad closed out their 1977 season at the NJCAA Cross Country Nationals.

The Nationals, held November 12th at Pima Junior College near Tuscon, Arizona was represented by 225 of the nation's finest runners.

"It was an incredible showing," stated Region III Coach-of-the-Year Doug Garnar." They have nothing to be ashamed of."

Marini's 99th finish along with Union Endicotter Keith Soloman's 139th and senior Jim Knight's 146th marked first time a county community college sent three runners-all of whom were from that county.

But not only did the Broome runners have to compete with the country's best runners-many of whom are on cross country scholarships, but also a change in environment.

Marini, Soloman, and Knight; familiar with the rolling green courses in this area found the 5-mile Arizona course "extremely arid, with practically no humidity and dry dusty flat land."

"They did the best they could have under the circumstances," added Garnar referring to their adaptation to the Pima climate.

Coach of the Year Doug Garnar

Delhi's Al Rizzo paced Region III runners with a strong 52nd showing in what Garnar described as "a real good race."

Keith Holtz, also a Delhi product, placed 73rd while Morrisville's Joe Fay took 90th.

PHOTO FINISHES: Coach Garnar would like to invite anyone who is interested in joining a Broome Track club to contact him in Titchner or George Archie in the Wales Building . . . congrats to this year's cross country squad and their Region III Coach of the Year-Doug Garnar from the entire FUCRUM Sports Department . . . . .

Wrestling

Coach Bill Beston's grapplers posted a 7 and 8 team record, but individually, the Hornets had some outstanding performers.

Intimidating George Kuxma captured his second consecutive Region III Heavyweight crown. Kuzma's record was 19-2 with a two year record of 39-4. Kirk MacBeth posted a 21-3-1 mark, Rick Gumble a 20-6 slate and senior co-captain Joe Kilmer compiled a 14-1 record before an injury forced him to withdraw from Regionals.

Kuzma, Gumble, and MacBeth all participated in the Nationals at Worthington, Minnesota.

Baseball

Rebounding from one of their slowest starts in years the BCC baseball team compiled a 15-11 record, which was highlighted by the Hornets selection to post season play at Mohawk Valley. Broome defeated Niagara CC in the opening round, but then lost to nationally ranked Monroe Community College 5-3 in the Region III semi-finals.

Womens Softball

The BCC Women's Softball team posted an 8-8 season record, including a 6-6 slate in Region III play. The Hornettes' fine season was highlighted by their selection to the NJCAA regional playoffs, held at Erie C.C.

Broome, however, dropped the opening round game 16-7 to Morrisville.

The Hornette attack was paced by third basewomen Gerri Smith who rapped the ball at a .531 clip. Senior second basewomen Kelly O'Connell hit .516 and Shortstop JoAnne Baycura averaged .441, while senior leftfielder Cheryl Fritsch compiled an on base percentage of .667.

The Citadel Staff wishes to thank those individuals too numerous to mention, the audio-visual department, and Mr. Howard Herzog, our adviser, for their contributions to this book. Special thanks to Mr. Vaughn Peterson, our yearbook representative.

This book like all the past books at BCC have suffered from the limitations of being a two-year school. People come and go making continuity a near impossibility. The Citadel has felt this lack of stability very much - particularly with a high editor turnover. We hope, nevertheless, that this yearbook will please.
